FACTS

12. Deltech Corporation and/or Deltech Europe Ltd. were the shippers, consignees or owners of the goods shipped aboard the Vessel in containers UTCU459701-3, UTCU461521-0 and UTCU473373-7 pursuant to, *inter alia*, Stolt bill(s) of lading 18314233312 and others, and MSC bills of lading MSCUOE640393, MSCUOE640450 and MSCUOE640351 and were the shippers, consignees, or owners of the goods shipped aboard the Vessel in containers GESU801685-7 GESU802272-0 pursuant to Newport bills of lading 56190594 and 56190604 and MSC bills of lading MSCUOE641037 and MSCUOE641078.

13. On or about July 14, 2012, a fire and explosion occurred aboard the Vessel. The crew evacuated the Vessel in the Atlantic Ocean approximately 1,000 nautical miles from Land's End, England (hereinafter the "Casualty").

14. As a result of the Casualty, several crew members were allegedly injured; three crew members died; the Vessel suffered damage; and many cargoes, including Deltech's, were damaged and/or lost.

15. On or about July 17, 2012, salvors reached the Vessel. General Average was declared on or about August 8, 2012.

16. Conti has asserted that it is entitled to recover from Deltech their proportionate share(s) of alleged General Average expenses, and has sought a declaratory judgment that it is

entitled to General Average contributions from Deltech. For the reasons stated herein, Deltech denies any allegation that it is liable to contribute in General Average.

17. On or about September 9, 2012, the Vessel arrived and was re-delivered by salvors to Conti and NSB at Wilhelmshaven, Germany, where certain cargo was discharged and the investigation into the cause of the Casualty began.

18. The Casualty, losses, damages, injuries, and destruction resulting therefrom, for which counterclaims and crossclaims have been or may be made against Deltech, and all other damages in any manner arising out of the Casualty, were occasioned and incurred, in whole, or in part, by the acts of Conti, NSB, MSC, or by the acts of Stolt in their capacities as other than Cargo Claimants.

19. Further, based on the current evidence, it is believed that certain cargoes, not those of Deltech, caused or contributed to the Casualty that occurred on or about July 14, 2012.

20. The Casualty, losses, damages, injuries, and destruction resulting therefrom, for which counterclaims and cross claims have been or may be made against Deltech, and all other damages in any manner arising out of the Casualty, were occasioned and incurred, in whole, or in part, by the acts of Conti, NSB, MSC, and/or Stolt.

AS AND FOR A FIRST COUNTERCLAIM AGAINST CONTI AND NSB

21. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 20, inclusive, with the same force and effect as if fully set forth herein

22. On or about the dates and at the ports of shipment stated in Exhibit B, there was delivered to the Vessel, Conti, and NSB, shipments described in Exhibit B, which the Vessel, Conti, and NSB received, accepted, and agreed to transport to certain ports of destination identified in Exhibit A.

23. The Casualty was not caused or contributed to by any fault or neglect on the part of Deltech, but was caused in whole, or in part, by the Vessel, Conti, and NSB in failing to properly care for and transport cargoes stowed aboard the Vessel.

24. At all material times, Conti and NSB failed to exercise due diligence to make the Vessel seaworthy, and at the material time, the Vessel was unseaworthy, and/or the losses, damages, and expenses suffered by the parties herein were caused by the design, neglect, fault, and privity of the Vessel, Conti, and NSB, or other persons or entities for whose actions or omissions the Vessel, Conti, and NSB were responsible.

25. The circumstances giving rise to, and the events in the aftermath of, the Casualty that is the subject of this action, and the alleged incurrence of losses, damages, and expenses by Conti and NSB, do not give rise to a valid invocation of the principles of General Average.

26. The Casualty was due to the want of care, design, neglect, fault, privity, negligence, fault, lack of care, gross negligence, willful, wanton, and reckless misconduct of Conti and NSB. Said conduct, fault, lack of care, gross negligence, willful, wanton, and reckless misconduct, includes but is not limited to: (i) the failure to maintain the Vessel in a seaworthy condition; (ii) the failure to maintain the Vessel's holds free and clear of fire hazards; and (iii) the improper loading of dangerous cargoes below deck contrary to specific instruction, all of which were known to the Vessel, Conti, and NSB prior to and at the time of the Casualty, and were at all times within the privity and knowledge of Conti and NSB.

**AS AND FOR A SECOND COUNTERCLAIM AGAINST CONTI AND NSB AND
A FIRST CROSSCLAIM AGAINST MSC and STOLT– INDEMNITY and/or
CONTRIBUTION**

27. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 26, inclusive, with the same force and effect as if fully set forth herein.

28. The Casualty aboard the Vessel was due to the wrongful acts or omissions, including breach of contract, breach of express or implied warranty, etc., or other misconduct or fault, of CONTI, NSB, MSC, and/or Stolt.

29. The Casualty aboard the Vessel was not caused or contributed to by any act, omission, fault, or neglect on the part of Deltech, its agents, servants, or employees.

30. By reason of the Casualty aboard the Vessel, Deltech has suffered damages and exposure to third-party claims, including damage to the Vessel, cargo, and property, salvage claims, wrongful death claims, and survivorship claims; General Average expenses; and claims for indemnity and contribution from other parties to this lawsuit, in an estimated aggregate amount in excess of US \$100 million.

31. The Casualty and all of Deltech's damages and losses, as alleged herein, are directly attributable to and caused by the aforesaid wrongful acts or omissions or other misconduct of Conti, NSB, MSC, and/or Stolt and/or their agents, without any fault of Deltech or its agents contributing thereto, and, therefore, Conti, NSB, MSC, and Stolt should be held solely and/or jointly liable to Deltech for all liability, losses, and damages arising therefrom, including legal fees and disbursements incurred in defense of third- party claims.

32. In the event that Deltech is nevertheless held liable to any party to this action, or any other party to any other proceeding in the United States or abroad arising out of or relating to the subject Casualty, said liability being expressly denied by Deltech, then such liability derives

in whole, or in part, from the aforesaid wrongful acts or omissions or other misconduct of Conti, NSB, MSC, and/or Stolt, or their officers, agents, servants, and employees and, therefore, Deltech should be granted full recovery over and against, and be indemnified by, or secure contribution from, Conti, NSB, MSC, and/or Stolt for all sums so recovered against Deltech, including attorneys' fees, expenses, interest, and costs.

AS AND FOR A SECOND CROSSCLAIM AGAINST MSC – IMPROPER STOWAGE

33. Deltech reiterates, repeats, and realleges the foregoing paragraphs numbered 1 through 32, inclusive, with the same force and effect as if fully set forth herein.

34. On or about the dates and at the ports of shipment stated in Exhibit B, there was delivered to MSC shipments described in Exhibit B, which MSC received, accepted, and agreed to transport to certain ports of destination identified in Exhibit A.

35. The Casualty was not caused or contributed to by any fault or neglect on the part of Deltech, but was caused in whole or in part by MSC's failure to properly care for and transport cargoes stowed aboard the Vessel, including but not limited to, MSC's reckless, negligent, and improper storage, loading, stowing, handling, carriage, keeping and caring for, and/or consolidation of the Vessel's various cargoes by MSC and its officers, agents, servants, and/or employees.

36. The Casualty was due to the want of care, design, neglect, fault, privity, negligence, fault, lack of care, gross negligence, willful, wanton, and reckless misconduct of MSC. Said conduct includes but is not limited to, the improper loading of dangerous cargoes below deck contrary to specific instruction, which was known by MSC prior to and at the time of the Casualty, along with MSC's reckless, negligent, and improper storage, loading, stowing, handling, carriage,

keeping and caring for, and/or consolidation of the Vessel's various cargoes by MSC and its officers, agents, servants, and/or employees.

AS AND FOR A SECOND CROSSCLAIM AGAINST STOLT – IMPROPER STOWAGE

37. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 36, inclusive, with the same force and effect as if fully set forth herein.

38. The Casualty was not caused or contributed to by any fault or neglect on the part of Deltech, but was caused in whole, or in part, by Stolt's failure to properly care for and transport Deltech's cargo.

39. The Casualty was due to the want of care, design, neglect, fault, privity, negligence, fault, lack of care, gross negligence, willful, wanton, and reckless misconduct of Stolt. Said conduct includes, but is not limited to, the improper loading of dangerous cargoes below deck contrary to specific instruction, which was known by Stolt prior to and at the time of the Casualty.

AS AND FOR A THIRD CROSSCLAIM AGAINST MSC AND STOLT – GENERAL NEGLIGENCE

40. Deltech reiterates, repeats, and realleges the foregoing paragraphs numbered 1 through 39, inclusive, with the same force and effect as if fully set forth herein.

41. Deltech denies that its cargo of DVB caused or contributed to the Casualty, but should it be concluded that the DVB caused or contributed to the Casualty, MSC and Stolt were obligated and duty-bound, regardless of knowledge, to ensure that the cargo of DVB was properly stowed and stored at all times while said cargo was in their possession. Contrary to the handling instructions provided to Stolt and MSC, the DVB cargo was not stored or stowed in accordance with specific shipping instructions.

42. As a result of MSC and Stolt's failure to ensure that DVB was properly transported, stowed, and stored, MSC and Stolt's own negligent acts and/or omissions caused or contributed to the Casualty.

AS AND FOR A FOURTH CROSSCLAIM AGAINST STOLT AND MSC – BREACH OF CONTRACT

43. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 42, inclusive, with the same force and effect as if fully set forth herein.

44. Deltech Corporation and/or Deltech Europe Ltd. were the shippers, consignees, or owners of the goods shipped aboard the Vessel in containers UTCU459701-3, UTCU461521-0 and UTCU473373-7 pursuant to, *inter alia*, Stolt bill(s) of lading 18314233312 and others, and MSC bills of lading MSCUOE640393, MSCUOE640450 and MSCUOE640351 and were the shippers, consignees, or owners of the goods shipped aboard the Vessel in containers GESU801685-7 GESU802272-0 pursuant to Newport bills of lading 56190594 and 56190604 and MSC bills of lading MSCUOE641037 and MSCUOE641078.

45. National Union Fire Insurance Company of Pittsburgh, PA, at all material times herein, was and is the insurer of Deltech's cargo and, as such, is subrogated to the rights Deltech.

46. Deltech's cargo was delivered to MSC, Stolt, and Newport in actual good order and condition for transportation and delivery as contracted for in the bills of lading issued by MSC, Stolt, and Newport.

47. Neither MSC, Stolt, nor Newport delivered Deltech's cargo.

48. By reason of the foregoing, Deltech has suffered losses in the amount of \$448,306.23, as nearly as same can presently be computed, no part of which has been paid despite due demand.

49. By reason of the foregoing, Deltech is entitled to a judgment in its favor against MSC and Stolt, jointly and severally, in the sum of \$448,306.23, together with interest on that sum and its costs, and for indemnity for all such sums for which Deltech may be found liable to contribute as General Average, and such other and further relief as this Court shall deem just and proper.

AS AND FOR A FIFTH CROSSCLAIM AGAINST MSC – LIABILITY FOR NEW ORLEANS TERMINAL

50. Deltech reiterates, repeats, and realleges the foregoing paragraphs numbered 1 through 49, inclusive, with the same force and effect as if fully set forth herein.

51. New Orleans Terminal LLC (“NOT”) was the operator of the marine terminal at the Port of New Orleans, to which the cargo loaded on board the M/V MSC FLAMINIA in New Orleans for the subject voyage was delivered, and from where said cargo was loaded.

52. NOT was incorporated as a Delaware company on or about April 19, 2007.

53. NOT was formed as a joint venture by two entities: (a) Container Marine Terminals LLC (“CMT”) and (b) Ceres Gulf Inc.

54. Ceres Gulf Inc. is a marine container handler and a terminal operator that was incorporated in Delaware and is based in Pasadena, Texas.

55. CMT was incorporated as a Delaware company on or about March 16, 2007.

56. CMT is a special-purpose holding company through which MSC, directly or indirectly, at all material times, owned a majority of NOT.

57. CMT provided the initial funding for NOT.

58. At all material times, MSC, directly, through CMT, and/or through its other affiliates or subsidiaries, dominated and controlled NOT’s management and operations.

59. At all material times, the general manager of NOT reported to MSC with respect to his administrative duties, including his budgeting, accounting, and purchasing related duties.

60. At all material times, NOT's operating budgets were discussed with and submitted for approval to MSC.

61. At all material times, at least one direct MSC employee maintained an office at the NOT facilities and provided services to and for NOT.

62. At all material times, the chairman of NOT's board of directors was Claudio Bozzo, the chief executive officer of MSC's U.S. affiliate, Mediterranean Shipping Company (USA) Inc. ("MSC USA").

63. Claudio Bozzo is currently the chairman of NOT's board of directors and the chief operating officer of MSC.

64. At all material times, NOT's board of directors was composed of at least five MSC employees, including Mr. Bozzo, and therefore, MSC employees comprised a majority of NOT's board of directors.

65. NOT's board meetings have been held at MSC U.S.'s offices in New York.

66. In consideration for MSC's control over NOT, MSC agreed that it and its affiliates would exclusively utilize NOT to provide all stevedoring and terminal services required by MSC and its affiliates at the Port of New Orleans.

67. At all material times, including with respect to the cargo loaded on board the M/V MSC FLAMINIA for the subject voyage, an agency relationship existed between MSC and NOT in which MSC acted as principal and NOT acted as agent.

68. As the principal in the agency relationship with NOT, MSC is liable for any recklessness, fault, neglect, errors, wrongful acts, omissions, and/or other misconduct of NOT

resulting in losses arising from the fire and/or explosion on board the M/V MSC FLAMINIA during the subject voyage.

69. As the principal in the agency relationship with NOT, any knowledge that NOT had regarding the nature of the goods shipped on board the M/V MSC FLAMINIA during the subject voyage is imputed to MSC.

70. The Incident on board the M/V MSC FLAMINIA during the subject voyage and the collective damages, losses, and claims arising therefrom, are directly attributable to and caused by the recklessness, fault, neglect, errors, wrongful acts, omissions, and/or other misconduct of NOT acting as MSC's agent, without any fault on the part of Deltech or its agents contributing thereto, and, therefore, MSC should be held solely and/or jointly liable to Deltech and/or to all parties who have made or will make claims against Deltech for all liability, losses, damages, and claims arising therefrom, including legal fees and disbursements incurred in defense of third-party claims.

71. In the event that Deltech is held liable to any party to this action, or any party to any other proceeding in the United States or abroad arising out of or relating to the Incident, said liability being expressly denied by Deltech, then such liability derives in whole or in part from the recklessness, fault, neglect, errors, wrongful acts, omissions, and/or other misconduct of NOT acting as MSC's agent, without any fault on the part of Deltech or its agents contributing thereto, and, therefore, Deltech is entitled to full recovery over and against, and to be indemnified by, or to secure contribution from MSC for all sums so recovered against Deltech, including but not limited to, attorneys' fees, expenses, interest, and costs incurred by Deltech in defending the third-party claims and/or pursuing recovery against MSC.

WHEREFORE, Deltech prays that:

1. Judgment be entered in favor of Deltech as against Conti, NSB, MSC, and Stolt dismissing all claims whatsoever against Deltech, including all cross claims and counterclaims;
2. Judgment be entered in favor of Deltech as against Conti, NSB, MSC, and Stolt , wherein they are held liable to Deltech for indemnity and for all such sums for which Deltech may be found liable as a result of any third-party claims, including attorneys' fees, interest, costs, and disbursements;
3. Judgment be entered in favor of Deltech as against Conti, NSB, MSC, and Stolt for contribution toward any losses or damages suffered by Deltech as a result of any third-party claims recovered against Deltech, including legal fees and disbursements incurred in defense of third-party claims;
4. Judgment be entered in Deltech's favor as against Conti, NSB, MSC, and Stolt in the sum of \$448,306.23, together with interest and costs;
5. Judgment be entered in Deltech's favor declaring that Deltech is not liable for the payment of any contribution in General Average or for any sum that may be stated by the General Average Adjuster in any General Average Adjustment that may eventually be issued in connection with this casualty; and
6. Judgment be entered in favor of Deltech for such other and further relief as this Court deems just and proper.
